CIRCULAR. No. 333.

WAR-OFFICE, *8th August*, 1816.

SIR,

I ANNEX for your information, the Copy of a Letter which I have addressed to the Army Medical Board, relative to the course to be pursued by Purveyors attached to General Hospital establishments, in reporting casualties arising therein.

I have, &c.

Officer Commanding the Regiment of

No. 78,966.

WAR-OFFICE, *7th August*, 1816.

GENTLEMEN,

IT being found, that the Purveyors attached to General Hospital establishments, do not, in all cases, specify the expenses incurred for the funerals of deceased men at the time that they notify their death to the Corps to which they belong; I am to acquaint you, that, in all future instances, in which this is not done, the Purveyor neglecting so to do, will be held liable to bear any loss which may arise in consequence of the Men's accounts having been made up without including any charge for their funeral.

I am further to acquaint you, that I shall communicate this regulation to the Commanding Officers of Corps, and that it will be proper, that you should circulate it to the Officers of your Department concerned therein; with an intimation, that I expect them duly to notify every casualty taking place among individuals of the Army, in any establishment to which they are attached, within ten days after its occurrence.

I have, &c.
(Signed) PALMERSTON.

WARRANT DECLARING THE RATES OF PAY TO BE ISSUED TO SOLDIERS ABSENT ON FURLOUGH.

GEORGE P. R.

By His Royal Highness the Prince Regent of the United Kingdom of Great Britain and Ireland.

RULES AND REGULATIONS REFERRED TO IN THE PRECEDING WARRANT.

SOLDIERS applying for Furloughs are not to be allowed, by the Commanding Officer, to leave the Regiment, except on the 28th of the Month, unless in very special cases of Sickness. They may receive an Advance of Pay for such Period as the Captain of, or Officer commanding, the Troop or Company, shall, upon his own responsibility, judge necessary, according to the distance in Great Britain or Ireland to which the Men may have to proceed, at the following rates: viz.

CAVALRY.	*Rate per diem.* s.	d.	*INFANTRY.*	*Rates per diem.* s.	d.
Serjeants	1	0	Serjeants	1	0
Corporals	0	8	Corporals	0	8
Trumpeters	0	8	Drummers	0	8
Farriers	0	8	Fifers	0	8
Privates	0	8	Privates	0	8

The Man will receive the same from the Captain of, or Officer commanding, his Troop or Company, and the Paymaster is, if desired by the Commanding Officer, to issue a sufficient Sum to enable the Officer Commanding the Troop or Company to make this advance, and may insert the amount in the place allotted for that purpose in the Pay List, *not as a charge*, but as a sum paid *on account*, to the Officer for Men not actually settled with.

The difference between the sum advanced, and the full Pay of the Man, is to be retained by the Paymaster as a Fund for Necessaries, liable to be accounted for to him on his return; and upon his being then finally settled with, the Paymaster may insert the Man's Pay at the proper rate, and for the proper period in the Pay-List.

If the Man should, at the end of the period for which the advance shall have been made, require a further advance of Pay, he is to apply to the Captain of, or Officer commanding the Troop or Company, who, upon shewing that the Man is in existence, is, with the sanction of the Commanding Officer, to receive from the Paymaster the further necessary advance, at the rates before specified, upon the responsibility of the Officer, and the Officer is to remit the same to the Man by a Post-Office Order, charging the Man with the regulated Post-Office Agency. The second advance thus made, is not to be charged in the Pay-List, but may be inserted as a sum paid to the Captain, or Officer commanding, *on account*, in the same manner as the first advance.

No payments therefore are in future to be made to Soldiers on Furlough by an order of a Magistrate, upon the Officers of the Revenue or others; but the whole of the pecuniary transaction is to take place between the Officer and the Soldier.

If the Battalion should go to Ireland, a notification thereof is to be made by the Captains of, or Officers Commanding Troops or Companies, to the men on Furlough; in order that the men may know how to apply to the Officers for the further advances of pay that may be necessary, which are to be made to them by Post-Office Order, as before directed.

When Regiments embark for Foreign Service, the Captains of, or Officers commanding, Troops or Companies are to apprize the men on Furlough thereof, and are to instruct them to apply to the Officer Commanding the Depot, for the necessary advances of pay, which are to be received, charged, and remitted by such Commanding Officer according to the Rules above laid down: a return is, however, to be made out by the Regimental Paymaster, and transmitted to the Department of Accompts at the War-Office, shewing what men have not joined from Furlough, the places where they are stationed, the actual advances made to them, and the dates to which they are known to be in existence; and requesting an authority to bring the proper charges into their Pay-Lists.

Whenever from Sickness, or any other unavoidable cause, the renewal of a Man's Furlough may be admissible, under the Provisions of the Mutiny Act, such renewal is invariably to be reported by the Officer granting the same, to the Captain of, or Officer Commanding the Troop or Company to which the man belongs, or to the Officer commanding the Depot, if the Regiment has proceeded abroad; or if the Station of the Regiment or Depot shall not be known, then, to the Regimental Agent, who is immediately to apprize the proper Officer thereof.

The Form of Furlough to be used is annexed hereto.

By the Command of His Royal Highness the Prince Regent,
in the Name and on the Behalf of His Majesty,
PALMERSTON.

CIRCULAR. No. 337.

WAR-OFFICE, *29th August*, 1816.

SIR,

IT having been suggested by the Army Medical Board, that it would be attended with very beneficial effects, if Insane Officers and Soldiers were in future to undergo a year of probationary medical treatment, in some of the Military Hospitals, instead of being at once sent to Bethlem Hospital, or to any other receptacle for Lunatics, as heretofore: I have the honor to acquaint you, that His Royal Highness the Prince Regent has been pleased, in the name and on the behalf of His Majesty, to approve of the above suggestion, and to command, that in future every Insane Officer or Soldier on the Home Station shall be received into the Regimental Hospital of the Corps to which he belongs, and treated accordingly, a full report of the nature of the case being made, at the time, by the Surgeon, to the Army Medical Board. Subsequent periodical Reports of the treatment observed, and of the success thereof, in each particular case, are in like manner to be made to the Board, and Copies of the said Reports are to be transmitted to this Office.

In any case of the want of proper Hospital Accommodation for Insane Patients, application is to be made to the Army Medical Board.

I have, &c.

SIR,

IT being found, that very high charges are frequently made for the funeral expenses of Soldiers who die while absent from the Head Quarters of their Regiments, and it being necessary to establish a Regulation limiting the expense on that head; I have the honor to acquaint you, that His Royal Highness the Prince Regent has been pleased to order, in the Name and on the behalf of His Majesty, that, in future, Captains of Troops and Companies are not to be liable to pay more than the sum of One Pound Fifteen Shillings for the Funeral Expenses of a Soldier.

which the Half Yearly Inspections are required to be made, and they are to terminate on the 10th March next, when, in conformity to His Majesty's Regulations, all Officers and Men are to be present with their respective Regiments:—In the event of Regiments, or Battalions, being in Stations, not comprized in Military Districts, the Officers Commanding are at liberty to use their discretion in granting the Indulgence of Leave of Absence, under the same Restrictions, to the Officers and Men, under their Command.

One Field Officer, One Half of the Captains, and One Half of the Subaltern Officers, are always to be present with their Regiments.

No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom without having first received the Prince Regent's Special Permission.

The Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the number hereby fixed for the constant duty of the regiment or battalion.

The applications for Leave for Regimental Paymasters, and Medical Officers, are to continue to be made in the mode prescribed in pages 52 and 53 of the General Regulations of the Army.

In case of short Leaves of Absence being requested by Adjutants, Riding-Masters, Quarter-Masters, or Veterinary Surgeons of regiments, it will be necessary that a special Report should be made as to the mode in which their duties are to be performed during their Absence.

The proportion of Non-commissioned Officers, Trumpeters, Drummers and Private Men, to whom Furloughs may be granted, are not to exceed Ten per Troop or Company.

This Order does not apply to the Officers and Men doing duty at the Depots of Regiments on Foreign Service.

By Command of His Royal Highness
The Commander in Chief.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.
